Shower Pans

Nothing beats the look and feel of a Marble-Lite shower pan. Shower pans by Marble-Lite come in a variety of sizes and shapes. You can customize our shower pans in a myriad of available colors that allows you to indulge the decorator inside. A major benefit of a Marble-Lite Shower Pan is that you will not have to stress about maintaining your grout lines ever again! But the biggest benefit with a Marble-Lite Shower Pan is with our one piece construction, you no longer have to worry about rubber liners or extra waterproofing, meaning your installation is quicker and won't have to worry about a leak ever again!

We have over twenty different shower sizes and shapes. We can customize any shower to fit almost any size needed.

Marble-Lite Custom Shower pans can be made to fit any size or shape. With a customizable drain location we can make a shower pan to fit your space perfectly.

Wall Panels

Marble-Lite shower wall panels have a luxurious and elegant appearance. They give a clean and seamless surface that adds a touch of sophistication to your bathroom.

- **Customization:** These shower wall panels are available in a wide range of colors, patterns, and finishes, allowing you to choose the perfect style to match your bathroom decor.
- **Durability:** Marble-Lite shower wall panels are made with a durable material that can withstand daily use without chipping, cracking, or scratching easily.
- **Easy Maintenance:** The non-porous surface of Marble-Lite shower wall panels resists staining and is easy to clean. Regular maintenance typically involves simple cleaning with mild soap and water.
- **Seamless Design:** Marble-Lite shower wall panels can be fabricated with minimal seams or even in a single-piece design, reducing the chances of water leakage and making cleaning more straightforward.

Overall, Marble-Lite shower wall panels offer a balance between aesthetics, durability, and practicality, making them a popular choice for homeowners looking to upgrade their bathrooms.
